FACE

Mini Facial \$65

Ideal for people on the go. Includes a cleanse, exfoliation, extractions (optional), steam and masque.

Traditional Facial \$90

The perfect facial for men or women. After a consultation, we cleanse, exfoliate, extractions (optional), brush machine, steam, head neck and shoulder massage, masque and moisturise.

Regeneration Facial \$100

Feel like your skin needs a boost? This facial begins with a consultation, cleanse, multi vitamin power boost or enzymatic power exfoliation, extractions (optional), steam, head neck and shoulder massage, masque and moisturise.

Environmental Facial \$100

Skin looking pink and feeling tight? Our super soothing facial starts with a cleanse, then remove impurities, head neck and shoulder massage, followed by a masque infused with steam to calm the redness and tightness of the skin.

Anti Aging Facial \$100

Concerned about the signs of aging on your skin? We cleanse, exfoliate, steam, massage & masque. Using an ultrasonophoresis machine we penetrate active ingredients into the skin, leaving it noticeably firmer and revived.

Medicated Facial \$100

Breakouts have finally met their match! Using medicated products we cleanse, exfoliate, steam & extract impurities, followed with massage, masque and moisture. High frequency is performed for healing. This will leave your skin purified.

INTENSIVE FACE TREATMENTS

Microdermabrasion \$110 (\$480*)

The microdermabrasion system uses a diamond tone wand, a medical technique for removing the top most layer of the skin, leaving it supple and vibrant.

Lactic Peels \$65 (\$330*)

Hydrating & exfoliating AHA's lactic peels are excellent for resurfacing the skin, maintaining the skins moisture levels & treating fine lines.

BHA Peels \$75 (\$390*)

Provides strong surface exfoliation. Effective for oily/acne conditions. This solution can be applied in layers to provide a variety of results.

Vita Peels \$80 (\$420*)

Uniquely formulated solution that targets the appearance of discolouration & sun damage.

Oxygen Facials

Rejuvenation Infusion \$130 (\$700*)

An oxygen infusion is the application of hyperbaric pressure oxygen onto the skin. This "bubble" of pressure used in conjunction with a rejuvenation serum, hydrates & plumps the surface of the skin, smoothing fine lines & wrinkles. This unique experience provides instant results you can see & feel. (full course includes 3 home care products.)

Opulence Infusion \$145 (\$850*)

A botanical brightening complex within the serum helps control melanin formation & balance uneven skin tone/pigmentation. (full course includes 3 home care products.)

Atoxelene Infusion \$50 (\$300*)

No pain, no redness, no injections. A topical alternative to anti-wrinkle injections. (full course includes 1 home care product.)

* All intensive face treatments are available as individual treatments or as a full course. A full course consists of 6 treatments, prices are indicated in brackets. Payment options can be arranged for full course costs.
